Tony Newton, TNT Xtreme “WHITE LIGHT COLLECTION” Funk-Rock-Fusion in all it’s Glory!

ABOUT TONY NEWTON

Tony Maestro Newton, is a music virtuoso hailing from the historic city of Detroit, Michigan. Tony took keen interest in the art of music right from the days of his childhood. At the tender age of 7 years, his passion for music drew him close to the piano. Although Tony is highly adept in playing musical instruments like saxophones and keyboards, there is no denying the fact that he has carved out a niche for himself in the field of electric bass. In the 60s, a fourteen-year-old Newton officially launched his bass guitar career along with the likes of esteemed blues musicians, such as **John Lee Hooker, T-Bone Walker and Little Walter**. Tony sealed a permanent berth for himself in the souls and minds of music lovers not only across the USA but also in different parts of the planet by touring and performing on over 100 classic hit recordings with innumerable world-renowned artists, including **Tony Williams Lifetime, Smokey Robinson, Stevie Wonder, Supremes, Marvin Gaye, Temptations, Michael Jackson, Areatha Franklin, Mamas & Papas, Chuck Berry, Allan Holdsworth and Gary Moore and G-Force** to name a few.

Today **#TonyNewton** is a multi-talented, iconic rock artist who has just released his much-anticipated TNT Xtreme second album **White Light Collection**, An Inspirational Journey of Sonic and Emotional Passion. The album also features Tony's groundbreaking epic 13 minute single, **Follow Your Heart**, among other profound musical offerings.
